## Art in the Garden, Saturday- July 10th

10:00 am - 4:00 pm

**IMPORTANT Please read:** Here is the registration form you've been waiting for. Booths will be assigned on a first come first serve basis BY PAYMENT. Just telling me that you are interested will not guarantee a booth. Print out this form and get it turned in with your check as soon as possible. We have more artists than booths, so we will limit the event to about 50 artists. We will limit Jewelry to only 10 booths.

Also, please be aware that if booths sell out fast, your check may be returned to you by mail. Sending in the check does not guarantee a booth. We have unlimited space outdoors, but if it's raining we have to get you all indoors and that space is limited. Booths will be sold on a first come first serve basis BY PAYMENT. **Please read the Frequently Asked Questions info below.**

### Frequently Asked Questions

#### Is there a fee?

We charge a very modest \$25 non-refundable booth fee. This helps us with some of the expenses such as live music for the day.

#### Is it outdoors?

We have indoor and outdoor spaces available. I will do my absolute best to accommodate everyone with their requests, but some flexibility needs to be given.

If the weather predicts rain, we will move the entire event indoors. This makes the booth spaces a bit smaller because of space constraints. Again, we will try to accommodate everyone.

If there is good weather, some of the artists will be outdoors. The outdoor area is completely shaded with a fabric roof. So there isn't a problem with your work sitting in the sun.

Please consider that the indoor location is a greenhouse and has the potential of being very hot. Example if it is 85 degrees outdoors it might 95 indoors, and we have no air-conditioning. We have limited electricity for fans too.

I strongly suggest that artists take advantage of the outdoor locations.

#### What size are the booths?

If, weather permitting, the event is both indoors and outdoors, the booth sizes will be more generous. The booth sizes vary. If you know that you will need a large space, please let me know and I will try to give you what you need.

Once you have been assigned a booth, I can give you a tour of the store and show you the layout of the Art in the Garden event. This might be the

easiest way to give an idea of the booth sizes.

I will lay out the booths so that the various media are dispersed throughout the event.

**Is there an application or will my work be juried?**

Knupper's is doing this for fun and to get some traffic in our store during a typically slow time of year. The application is above in this email and we do not jury the work.

**What time do I need to be there?**

The show runs from 10 am to 4 pm. Most artists will start to arrive between 8:30 and 9:00 am to set up. During set up you may park your car close to the store, but after you have unloaded, we have a special area designated for artist parking.

You may begin to take down your displays anytime after 4 pm.

**Do I need my own table or tent?**

If you have your own tables and display pieces such as easels etc., that is very helpful. I have a few limited areas outside that have wooden lath tables that are used for displaying flower flats during our springs season, but they are cleared off and available for this event. If you do not have your own tables, please let me know and I will try to work you in to this area. Because of the limited quantity, these tables are first come, first served.

Tents are generally not necessary. The outdoor area is completely covered so the sun will not be on you or your work. If your work requires a tent, let me know, I will try to accommodate any requests, if possible.

**How do I register for the event?**

Artwork should be original or prints of originals. Please no "re-wholesaling" of imported or other items.

This event is for fine arts, please do not bring crafty-type items.

**How many artists are you looking for?**

We will be limiting the event to about 50 artists total. Because of the abundance of jewelers, only 10 booths will be sold for jewelry, the other 40 are for other media.
